

THE ELIXIR CLINIC

A bespoke wellness clinic specialized in enhancing client's wellbeing through natural and effective treatments. We create wellness experiences aimed at rejuvenation while sustaining long-term wellbeing.

Offering an extensive selection of treatments such as our renowned IV vitamin infusions, intramuscular vitamin therapy, diagnostic testing, and anti-aging therapy; all tailored to specific needs.

Our treatments are the most effective, safe and essential methods to support a healthy lifestyle.

INTRAVENOUS THERAPY

INTRAVENOUS (IV)

adjective | in-tra-ve-nous | \ ,in-trə-ˈvē-nəs \

DEFINITION

situated, performed, or occurring within or entering by way of a vein; also :used in or using intravenous procedures.

KEY BENEFITS

100% ABSORPTION

Our bodies absorb 10 to 30 percent of vitamins contained in pills and creams; with VitaDrip®, absorption is 100%.

SCIENTIFICALLY PROVEN

VitaDrip® contain vitamins, minerals & amino acids, all classified as 'essential nutrients' that are vital for our well-being.

FAST AND EFFECTIVE

Booster shots take just seconds, while a VitaDrip® takes 45 mins. Clients may begin to feel effects immediately.

NATURAL AND SAFE

Administered under authorisation of a prescribing physician after a full health assessment. All protocols have been thoroughly researched by medical specialists.

VITADRIP® MENU

VIP ELIXIR

The most requested VitaDrip® created with over 16 essential nutrients to keep you looking good and feeling fantastic. Benefits: detox, hydration, energy & immunity boost, promotes healthy hair, nails & skin, anti-aging and more!

ANTI-AGING

High in Glutathione, a powerful antioxidant with anti-aging properties. Contains essential nutrients to detox, hydrate, promote improved skin & hair health, and assist in restoring collagen production.

DIET & DETOX

The essential detox! With amino acids such as Arginine, toxins are reduced, allowing the body to function more effectively. Contains digestive aids such as Taurine, which promotes gut health by breaking down food for better absorption.

IMMUNITY

Feeling under the weather or looking for the best solution to improve your overall wellbeing, our Immunity VitaDrip® is packed with ingredients to strengthen the immune system while helping with energy production and tissue repair.

MOOD BOOST

Elixir's perfect pick-me up! Packed with all the right essential nutrients, including key amino acids that promote improved mood and health.

FITNESS

Created for optimum performance and recovery. Infused with nutrients and amino acids such as L-Carnitine, Taurine, Glutamine, and Arginine to enhance energy levels, increase muscle endurance, boost metabolism, aid fat burn, and assist with muscle recovery.

ANTIOXIDANT

Antioxidants fight oxidative stress in the body. This VitaDrip® helps cleanse, boost essential nutrients, and prevent signs of aging in the body.

HAIR GROWTH

A stimulating VitaDrip® created to improve hair health and assist with hair growth. Nutrients such as Biotin and Folic Acid are essential for those suffering from hair loss, thinning hair, or to maintain healthy hair.

LIFE

Based on the original Myers Cocktail, invented by US physician John Myers, the Life VitaDrip® is the perfect balance of vitamins and minerals for overall wellbeing.

JET LAG

For travellers and those with a busy lifestyle, this VitaDrip® will not only rehydrate the body after long haul flights but is high in energy boosting B-vitamins that fights jet lag symptoms.

HYDRATION

Hydration is important for cardiovascular health, muscle recovery and skin rejuvenation. If you are feeling dehydrated, need a boost for an event, or recovery from an action-packed weekend, this VitaDrip® will help replenish the balance of water in your body and boost your energy.

ADRENAL FATIGUE

Helps with irritability, water retention and thyroid dysfunction. Infused with nutrients to help a variety of conditions including menopause symptoms, with the added benefit of balancing hormones and regulating sleeping patterns.

MOTHERHOOD

This infusion helps stimulate many female body functions such as thyroid and reproductive system. Contains key nutrients such as Folic Acid, Zinc and Biotin.

POST SURGERY

Surgery is a stressful and draining process for the body, this VitaDrip® is packed with vital nutrients to support a speedy recovery and healing process; it also boosts energy and immune system.

RADIANCE

Aimed at skin detoxification that contains a high dose of Vitamin C and the powerful antioxidant Glutathione, which also helps skin recover from sun damage and combat signs of ageing.

RESCUE

To aid relief of frustrating hay fever symptoms such as itchy eyes and a runny nose, this VitaDrip® contains antihistamines and essential vitamins to help bring seasonal allergies under control.

MAINTENANCE

Regular maintenance is important for overall wellbeing. Vitamin C and Glutathione helps flush out day-to-day toxins and keeps you feeling rejuvenated. Recommended once or twice a month.

INTRAMUSCULAR (IM) VITAMIN THERAPY

Intramuscular injections (IMs), also known as booster shots are administered within seconds and deliver essential nutrients directly to the body. Offering solutions for: detox, energy boost, stimulating hair growth, fat burn and more.

ANTIOXIDANT

Glutathione IM that cleanses vital organs. Ideal for detoxification.

B12 BOOSTER

The natural energy booster shot.

SUPERBOOST

The ultimate booster for immunity, energy, improved skin & hair health.

ELITE FITNESS

A pre-workout to boost your energy, fitness performance, and fat burn.

MOOD BOOST

Enhances mood, energy, and regulates sleep cycles. Mini version of Mood Boost VitaDrip®.

HAIR, NAIL & SKIN

Supports optimal hair, skin, and nail health. Promotes hair growth.

ADRENAL FATIGUE

Increases energy levels and regulates sleep patterns.

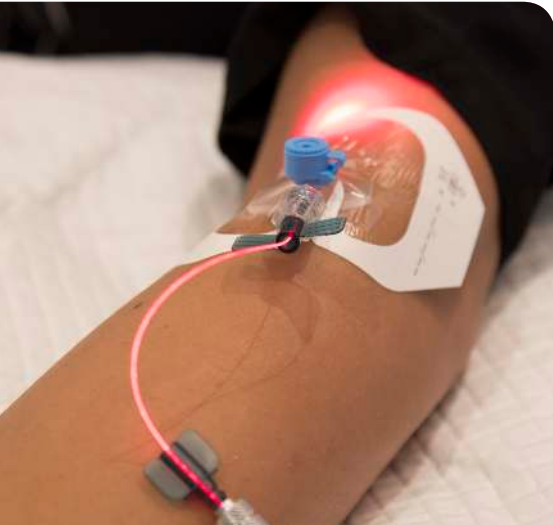

VITAMIN SUNSHINE

For those suffering from vitamin D deficiency.

IV LASER THERAPY

Low-level IV laser therapy has been used as a natural and therapeutic approach to wellness, based on the usage of soft lasers, applied directly into the bloodstream intravenously, to supply the body with energy to trigger numerous regenerative processes. Recommended with a VitaDrip® as it allows deep tissue penetration of up to 12 cm; achieving stronger and faster absorption of the essential nutrients.

At The Elixir Clinic, we apply blue, red, and yellow laser; each colour with its own benefits evoked by the stimulation of specific cellular components, such as growth factors or cells of our immune system. The laser colour varies based on the purpose of treatment and only prescribed by the doctor upon consultation.

INTRAVENOUS LASER THERAPY BENEFITS:

- Enhances energy
- Strengthens immune system
- Improves blood circulation
- Strong anti-inflammatory effects
- Supports general mood boost
- Increases cell activity
- Speeds up healing of wounds & injuries
- Aids with pain-relief

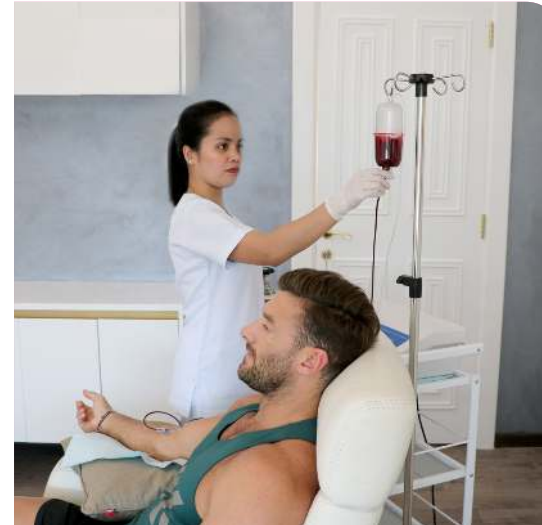

IV OZONE THERAPY

A natural and effective way to detoxify the body, oxygenate cells, treat diseases, and strengthen your immune system. Ozone increases the amount of oxygen in the body, which activates cell regeneration, amongst other wellness benefits.

THE TREATMENT PROCESS:

100ml of blood is drawn from the client and transferred into a closed system with no human interference to avoid any risk of contamination. Ozone is mixed with the clients' blood for few minutes and eventually transferred back into the body intravenously.

The complete process takes an average of 45 minutes and to achieve maximum wellness results, a minimum of six sessions is recommended.

INTRAVENOUS OZONE THERAPY BENEFITS:

- Antibacterial
- Anti-aging
- Anti-inflammation
- Acidity reduction
- Revitalisation
- Stronger immune system
- Detoxification of the body

REJUVENATION THERAPY

24-KARAT GOLD FACIAL

Luxurious regenerating and anti-wrinkle treatment with active ingredients such as real 24-karat gold, pearl and diamond powder to stimulate natural tissue healing and improve skin health.

HYDRAFACIAL™

3 steps. 30 minutes. No down-time! Delivering instant and long-lasting results that you can see and feel. Hydrafacial focuses on cleansing, extracting, and hydrating the skin to leave you rejuvenated and glowing.

VITAMIN C FACIAL

This facial uses pure 100% vitamin C - one of the most powerful rejuvenating agents that stimulates cellular regeneration, collagen production, and improves photoaged skin. Achieve a natural radiant glow!

ELIXIR ESSENTIAL

Personalised deep-cleansing facial with manual extraction to remove impurities, dead skin, and whiteheads/black heads. This customised facial is suitable for all skin types.

ELIXIR EXPRESS

Created for clients with busy lifestyles to provide maximum benefits in minimum time! Includes: cleansing, exfoliation, skin mask, hydration and protection.

CRYO GLOW*

10 minutes of freezing vaporized liquid nitrogen that activates collagen production tightens & firms the skin, and minimizes pores; giving a finished youthful radiant glow.

ORGANIC FACIAL

A chemical-free facial that helps to cleanse and hydrate the skin. Suitable for pregnant or lactating mothers.

* CRYO is only available in The Elixir Clinic - Abu Dhabi

ANTI-AGING THERAPY

DERMAL FILLERS

Fillers are used for facial contouring and plumping up the area around injection site. Available for face, neck, hands, non-surgical rhinoplasty, and tear trough treatment.

ANTI-WRINKLE INJECTIONS (BOTOX®)

Reduce fine lines, wrinkles, and remove visible signs of aging. It is also used to treat hyperhidrosis (excessive sweating in underarms, hands, and scalp), and migraines.

PLATELET-RICH PLASMA (PRP THERAPY FOR SKIN & HAIR)

Non-surgical treatment that stimulates collagen and skin regeneration. In PRP (also known as Plasma) treatment, plasma is extracted and injected in the deep dermis or areas of concern for faster and effective regeneration and rejuvenation.

THREAD LIFT

Surgical threads inserted underneath the skin to position the facial tissue in a certain “lifted” state; helps reposition the volume and reshape the face resulting in a fresher and younger look. Areas of treatment: face, jaw line, and neck.

MESOTHERAPY

Based on high concentrates of antioxidants, vitamins and hyaluronic acid that promotes regeneration of collagen and acts as a boost of overall skin health.

ELIXIR SKIN BOOSTER

A skin remodelling treatment that injects hyaluronic acid in five points of the face to tighten skin, stimulate collagen and elastin, and provide an instant glow. Minimum of 2 sessions recommended to achieve optimal results.

ELIXIR SKIN PEELS

Mild peels that rejuvenate by exfoliating the outer skin, improving texture and providing a radiant glow. Our range of facial peels are tailored to each clients’ needs; also offer treatments suitable for pregnant or lactating mothers.

LASER TREATMENTS:

VASCULAR LASER TREATMENT

Target unwanted or abnormal blood vessels in the skin, whilst minimizing damage to surrounding normal skin structures. Common treatment for varicose “spider” veins.

LIP AUGMENTION & LIGHTENING

Laser treatment to increase volume in the lips with no injectables, pain, or downtime! Also offering lip lightening to create natural pinkish lips. Ideal for those suffering from dark lips or want to achieve natural pinkish lips.

SKIN RESURFACING

Fractional laser treatments to reduce facial wrinkles, skin irregularities such as large pores, blemishes, and acne scars; revealing a fresh layer of healthy skin.

LASER SKIN TIGHTENING

Youthful looking skin without surgery and no down-time using various treatments to tighten skin, and improve texture.

3D & 4D SKIN TIGHTENING

Treatment of both exterior and interior oral cavity allowing for full skin rejuvenation and tightening by applying thermal energy on the surface of the skin and inside the mouth. Combats facial aging with little or no down time.

DOUBLE CHIN REDUCTION

This treatment removes extra fat accumulated in face and chin.

CONSULTATION

All treatments require a initial consultation. Consultation fee is charged only when no treatment has been taken or if a medical prescription is required.

DIAGNOSTIC TESTING

BLOOD TESTING SERVICES

A wide range of blood tests such as general health check-up, hormones, vitamin levels, and many more.

GENERAL PRACTITIONER SERVICE

Consultations available for health & wellness concerns. This service is also available as part of our concierge service.

MINERAL TISSUE HEAVY METAL ANALYSIS

Non-invasive test to detect mineral deficiencies, trace elements and heavy metal intoxication; results are provided within 20 seconds.

SkinDNA™ ANALYSIS

A genetic skin test that uses your DNA to scientifically identify the most suitable skincare ingredients for you skin.

FOOD INTOLERANCE TEST

Comprehensive food screening test to detect intolerances and allergies.

HEALTHY WEIGHT DNA ANALYSIS

Comprehensive DNA test examining genetic markers that influence weight. A customised fitness and nutrition program is created based on the report.
