

THE ELIXIR CLINIC

A bespoke wellness medical clinic specialising in intravenous therapy to help clients feel rejuvenated while sustaining overall well-being.

Offering an extensive selection of treatments ranging from our renowned IV vitamin infusions, to other wellness treatments consisting of diagnostic testing, rejuvenation and anti-aging therapies; all tailored to specific needs.

Our treatments are the most effective, safe and natural method to support a healthy lifestyle.

VITADRIP® BENEFITS

100% ABSORPTION

Our bodies absorb 10 to 30 percent of vitamins contained in pills and creams; with VitaDrip®, absorption is 100%.

SCIENTIFICALLY PROVEN

VitaDrip® contain vitamins, minerals & amino acids, all classified as 'essential nutrients' that are vital for our well-being.

FAST AND EFFECTIVE

Booster shots take just seconds, while a VitaDrip® takes 45 mins. Clients may begin to feel effects immediately.

NATURAL AND SAFE

Administered under authorisation of a prescribing physician after a full health assessment. All protocols have been thoroughly researched by medical specialists.

VITADRIP® MENU

VIP ELIXIR

A truly unique infusion, with 16 essential nutrients created to keep you looking good and feeling fantastic. Consists of high dose of Vitamin C and Glutathione that is amazing for detox effect and for skin radiance.

ANTI-AGING

High in Glutathione, a powerful antioxidant, which is fantastic for anti-aging. It contains a range of nutrients to help rejuvenate and hydrate the skin as well as assist in restoring collagen.

DIET & DETOX

The essential detox! With amino acids such as Arginine, toxins are reduced, allowing the body to function more effectively. Contains digestive aids such as Taurine, which promotes gut health by breaking down food for better absorption.

IMMUNITY

Feeling under the weather or looking for the best solution to improve your overall wellbeing, our Immunity VitaDrip® is packed with ingredients to strengthen the immune system while helping with energy production and tissue repair.

FITNESS

Perform at optimum levels. This VitaDrip® is infused with proteins and amino acids such as L-Carnitine to aid weight loss and B vitamins to help boost energy levels.

MOOD BOOST

The perfect pick-me-up! Packed with high doses of B-vitamins, minerals and amino acids like L-Tryptophan that helps with production of serotonin.

ADRENAL FATIGUE

Helps with irritability, water retention and thyroid dysfunction. Infused with nutrients to help a variety of conditions including menopause symptoms, with the added benefit of balancing hormones and regulating sleeping patterns.

VIP HARRODS

The ultimate VitaDrip® exclusive for The Wellness Clinic in Harrods. A combination of benefits such as: Anti-aging, Immunity boost, Energy Boost, Detox, Stress-relief, and many more.

HAIR GROWTH

A stimulating hair growth infusion with key nutrients such as Biotin and Folic Acid. Ideal if you suffer from hair loss, hair thinning, weak or dull hair.

ANTIOXIDANT

Antioxidants fight oxidative stress in the body. This VitaDrip® helps cleanse, boost essential nutrients, and prevent signs of aging in the body.

JET LAG

For travellers and those with a busy lifestyle, this VitaDrip® will not only rehydrate the body after long haul flights but is high in energy boosting B-vitamins that fights jet lag symptoms.

LIVER DETOX

An intense liver detox to help cleanse and eliminate toxins from the body. Includes ingredients such as Ornithine, Sorbitol & Choline for a complete body detox. A healthy liver will promote overall wellbeing.

LIBIDO ENHANCER

Unique formula created for men who want to enhance their libido levels due to poor diet, stress, or unhealthy lifestyle. Key ingredients such as Arginine, Taurine, and L-citrullin will help boost your libido levels.

CURCUMIN

Curcumin is the main active ingredient in turmeric; a powerful substance with antioxidant and anti-inflammatory properties. Also known for its anti-aging benefits and joint pain relief.

MAINTENANCE

Regular maintenance is important for overall wellbeing. Vitamin C and Glutathione helps flush out day-to-day toxins and keeps you feeling rejuvenated. Recommended once or twice a month.

MOTHERHOOD

This infusion helps stimulate many female body functions such as thyroid and reproductive system. Contains key nutrients such as Folic Acid, Zinc and Biotin.

LIFE

Based on the original Myers Cocktail, invented by US physician John Myers, the Life VitaDrip® is the perfect balance of vitamins and minerals for overall wellbeing.

HYDRATION

Hydration is important for cardiovascular health, muscle recovery and skin rejuvenation. If you are dehydrated, this will help replenish the balance of water and nutrients in your body.

RADIANCE

Aimed at skin detoxification that contains a high dose of Vitamin C and the powerful antioxidant Glutathione, which also helps skin recover from sun damage and combat signs of aging.

POST SURGERY

Surgery is a stressful and draining process for the body, this VitaDrip® is packed with vital nutrients to support a speedy recovery and healing process; it also boosts energy and immune system.

RESCUE

To aid relief of frustrating hay fever symptoms such as itchy eyes and a runny nose, this VitaDrip® contains antihistamines and essential vitamins to help bring seasonal allergies under control.

INTRAMUSCULAR (IM) VITAMIN THERAPY

Intramuscular injections (IMs), also known as booster shots are administered within seconds and deliver essential nutrients directly to the body. Offering solutions for: detox, energy boost, stimulating hair growth, fat burn and more.

ANTIOXIDANT

Glutathione IM that cleanses vital organs. Ideal for detoxification.

B12 BOOSTER

The natural energy booster shot.

SUPERBOOST

The ultimate booster for immunity, energy, improved skin & hair health.

IMMUNE CHARGER

Strengthens your immune system, Mini version of our Immunity VitaDrip®.

MOOD BOOST

Enhances mood, energy, and regulates sleep cycles. Mini version of Mood Boost VitaDrip®.

HAIR, NAIL & SKIN

Supports optimal hair, skin, and nail health. Promotes hair growth.

SLIM & FIT

Stimulates fat metabolism, improves liver function and boosts energy.

ADRENAL FATIGUE

Increases energy levels and regulates sleep patterns.

VITAMIN SUNSHINE

For those suffering from vitamin D deficiency.

IV LASER THERAPY

The use of low-level infrared laser enables the application of laser light directly into the bloodstream providing a deeper depth of tissue penetration that stimulates circulating blood and stem cells resulting in positive wellness benefits.

The Elixir Clinic offers red and blue infrared laser that deliver optimal treatment outcomes. Recommended as a combined treatment with any VitaDrip®.

RED LASER BENEFITS

- Energizing
- Strengthens the immune system
- Increases cell activity
- Regenerates damaged tissue structures
- Improves blood circulation

BLUE LASER BENEFITS

- Improves microcirculation
- Strong anti-inflammatory and anti-bacterial effects
- Accelerates healing of wound
- Supports pain relief
- Activates anti-aging effects

IV OZONE THERAPY

A natural and effective way to treat diseases and detoxify the body, and boost the immune system. Ozone increases the amount of oxygen in the body, which activates cell regeneration.

THE PROCESS:

100ml of blood is drawn from a patient and transferred into a closed system. No human interference is involved in this process to avoid any risk of contamination.

The ozone is mixed with your blood for few minutes and then transferred back into the body.

IV ozone therapy takes about 30 minutes and a minimum of six sessions is recommended for best detoxifying effects. Benefits of ozone therapy are:

- Oxygenation of cells
- Antibacterial
- Anti-aging
- Anti-inflammation
- Acidity reduction
- Revitalisation

REJUVENATION THERAPY

ELIXIR SIGNATURE FACIAL

A tailored revitalising facial aimed at targeting the needs of your skin. The deep layer of your epidermis is cleansed and exfoliated to stimulate blood circulation and collagen production. This facial helps improve elasticity leaving you with an instant radiance boost. Includes LED light therapy and Oxygen therapy.

VITAMIN C FACIAL

Using 100% pure Vitamin C, most powerful rejuvenating agent, that stimulates cellular regeneration, collagen production, and improves photoaged skin leaving you with skin brightening radiant glow.

MICRODERMABRASION OXYGEN THERAPY

Skin resurfacing to help with problem skin, pigmentation, scarring, fine lines and wrinkles. Oxygen therapy is used to improve elasticity, firmness, and reduce acne breakouts.

DECOLLETAGE REJUVENATION (30 Mins)

Skin rejuvenation doesn't need to stop at the face; neck & décolletage are important areas to focus on for anti-aging. The area is cleansed and exfoliated with our COMCIT skin system to tackle lax skin, fine lines and wrinkles, and sun damage.

RADIANCE PEEL

A mild peel using our blend of exfoliating agents that help achieve a brighter and balanced skin tone, free of dark spots and sun damage.

EXPRESS FACIAL

Created for those with busy lifestyles to ensure your skin is taken care of. Includes: cleansing, exfoliating, mask, hydration and protection.

COMCIT & CELLUDERM SKIN SYSTEMS

COMCIT - 'Cryo Oxygen Microchannelling Collagen Induction Therapy'

COMCIT system offers the simultaneous delivery of Cryo Oxygen whilst our unique Microchannelling Roller creates hundreds of microscopic channels in the skin's epidermal/dermal junction, allowing the topical infusion of powerful ingredients to be driven into the skin.

BENEFITS:

- Instantly smooth, fresh, firmer, plumper and more youthful skin.
- Reduced lines and wrinkles.
- Tauter, more rejuvenated skin.
- Promotion of new collagen growth.

CELLUDERM - Body Firming Treatments

Celluderm skin system offers face & body treatments such as Microdermabrasion or Cellulite technology to resurface the skin, tackle cellulite whilst the vibrational push and pull action from the vacuum suction tones and firms the skin.

8-10 sessions is recommended for effective results.

BENEFITS:

- Treats all areas of the body including the face and chin
- Excellent for treating stubborn fat under the chin
- Effective in treating fat and cellulite on the upper arms
- Intense treatment for stubborn cellulite on firm skin on the buttocks and thigh area
- Offers the perfect treatment for lax skin on the buttocks and thighs

ANTI-AGING THERAPY

DERMAL FILLERS

Fillers are used for facial contouring and plumping up the area around injection site. Available for face, neck, hands, non-surgical rhinoplasty, and tear trough treatment.

ANTI-WRINKLE INJECTIONS (BOTOX®)

Reduce fine lines, wrinkles, and remove visible signs of aging. It is also used to treat hyperhidrosis (excessive sweating in underarms, hands, and scalp), and migraines.

MESOTHERAPY

Based on high concentrates of antioxidants, vitamins and hyaluronic acid that promotes regeneration of collagen and acts as a boost of overall skin health.

ELIXIR SKIN BOOSTER (PROFILO™)

A skin remodelling treatment that injects hyaluronic acid in five points of the face to tighten skin, stimulate collagen and elastin, and provide an instant glow. Minimum of 2 sessions recommended to achieve optimal results.

PLATELET-RICH PLASMA (PRP)

Non-surgical treatment that stimulates collagen and skin regeneration. Plasma is extracted and injected via needle or with a derma pen in the deep dermis or areas of concern for faster and effective rejuvenation. Available for face & hair.

OBAGI NU-DERM

Complete skin care system specially formulated for normal to dry skin to help with hyperpigmentation, such as dark spots, melasma, and to improve visible signs of skin aging.

CONSULTATION

All treatments require a initial consultation. Consultation fee is charged only when no treatment has been taken or if a medical prescription is required.

DIAGNOSTIC TESTING

BLOOD TESTING SERVICES

A wide range of blood tests such as general health check-up, hormones, vitamin levels, and many more.

GENERAL PRACTITIONER SERVICE

Consultations available for health & wellness concerns. This service is also available as part of our concierge service.

MINERAL TISSUE HEAVY METAL ANALYSIS

Non-invasive test to detect mineral deficiencies, trace elements and heavy metal intoxication; results are provided within 20 seconds.

FOOD INTOLERANCE TEST

Comprehensive food screening test to detect intolerances and allergies.

NUTRITIONAL THERAPY

Maximising one's health potential through formulated nutritional and lifestyle changes. We focus on creating realistic and effective changes by addressing specific concerns.

GENETIC TESTING

Nutrigenetics identifies how nutrients impact our gene expression. The aim of nutrigenetics is to offer clients personalised nutrition plans based on their genes to enhance their health and prevent or treat diseases.
